GunX Starter / Training Pistol

Made in the USA of stainless steel, with a lifetime warranty, a swing-out cylinder with **NO PARTS TO LOSE**, and a bright orange handle. The GunX is designed and built to provide years of service without malfunction.

Quite simply, this is the best training pistol ever built!

The purchase of a GunX is not money spent - it is money saved! It is available in .209 caliber and .32 caliber.

In - stock and ready to ship

GunX Holster

We designed and built these holsters specifically for the GunX. You won't find another of its fit and quality anywhere. These are made from Hermann Oak 11/13 weight tanned, saddle skirting and made to last as long as the pistol itself - for life!

Misc. Starter Pistol Holster

For those of you still using something other than a GunX pistol, here is your storage answer. The photo to the left is an example of some of the custom holsters that we've made in the past and are happy to produce again. If you want, we will make it!

Lifetime Ring In Center Collar

Made of 12/13 oz. bridle leather, 1" wide with Italian brass hardware and available in multiple colors. - custom name tags are included. The name speaks for itself - they're built to last!

About Snow Canyon Outfitters

I build leather products and I build them to last a long, long time - I have no use to produce or use "disposable" items. Only the highest grade of materials are used in the construction of products I make and use. - guaranteed. For all practical purposes, we are a custom, made to order shop. While we have an inventory of basics, nearly every order is unique. If you need high quality, durable and attractive tack, dog collars, leads or other leather goods, take a look at the SCO site for more information and representation regarding our products.
