

# POINTERS

**Name:** Dave Prescher

**State of residence:** Wisconsin

**Family members:** Bridget (wife), sons Brent and Brian and 5 grandchildren Baily, JohnDavid, Ezra, Owen and Aiden

**Dog's name:** Kota, Bella, Rev and Reba

**Breed:** Kota and Reba are English Pointers and Bella and Rev are Weims

**How long have you competed in competitive upland hunting:** A decade.

**What events do you compete in:** Top Gun Main, Masters and Puppy

**How were you introduced to upland hunting competitions:** . I started at Zwickey's (Chippewa Falls) after buying my first English Pointer.

**Who do you most frequently travel with while competing:** The rest of the guys from Team Wingshooters; my son Brian, his brother-in-law, Jason Gindt and my longtime friend, Mike Hall (the guy in the red vest) as well as many other buddies that I have made through my 10 years of competing.

**What is your proudest moment while competitive hunting:** Winning the NATHA Amateur Dog of the Year title in '01.

**If you could win one competition, what would it be:** M.U.G.S. Master Pointer Dog of the Year and The NATHA US OPEN.

**Who helps you with your dog's training:** Jason Gooding of GOOD Go ING Kennels.

**Who introduced you to hunting:** My best friend and one of the game's top competitors, Mike Hall.

**What types of hunting do you do:** Upland and Deer.

**What type of firearm do you use:** I have a Ruger Red Label that I bought a few years ago. I immediately improved my shooting after buying it and have the confidence that every bird will be bagged (usually is, too).

**What is your favorite location to hunt:** Winner, South Dakota

**What others say are saying about Prescher:** I would say that David is as driven of a player as I have ever known. The consummate competitor, he is always looking for an edge. For instance, if I were to face him the following day, there is no way that I'd allow him to clean my gun the night before nor would I ever borrow a box of shells from him. - Mike Hall, long time friend and teammate.
